“ I will love and miss you with ALL of my heart, Grandma. Wish you could have gotten to know my boys, your two greatgrandsons Tyler and Connor more, but time and age, and distance can be unforgiving sometimes. I find comfort knowing you are happily with Djia Djia now!!! If you see my dearestest Stephen up there in Heaven, PLEASE give him a huge kiss for me!! i WILL SEE ALL THREE OF YOU AGAIN!

“ My grandma was a great woman. Strong and spirited and also very loving. She taught me how to skate and rode my first roller coaster with me. I always told everyone I had the coolest grandma ever! She always had an amazing amount of patience and always saw the best in us. I see her influence in my father and I feel her influence as I raise my children. She is a woman who walked in grace and the world is a little less bright without her. We will love her always.

“ I am so sorry for your loss. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.
