“ I remember Uncle Frank when I was very young, he had me climb in his lap in his car to help drive. I couldn't reach peddles so I just steered. Going along the road to Bete Gris sometimes with Aunt Elaine who looked nervous then relaxed when done. Not much traffic so a cautious and good lesson. Laughter followed. Then helping me fish the right way : Those tasty hams and homemade pizzas too.. Thank you uncle Frank..u will be missed so..R.I.P. Love, Pam
