

Frank S. Emrick

April 26, 1948 - September 4, 2016

Frank Emrick, beloved father of Christopher and Jennifer, brother to Ronald and Arthur, and dear friend to Lynette Spry, passed away in the early morning hours on Sunday, September 4, 2016 after a long battle with cancer. He was a gentle and generous man throughout his whole life. He would always have a story for anyone who would listen. His knowledge and intellect challenged everyone he came into contact with and made them better for it.

“ *My condolences to the family. Death claims the lives of those we love. When death strikes the pain and grief can seem unbearable. May you draw close to God in prayer and he will sustain you.-

“ *We had the pleasure of being backyard neighbors and frequent guests of Frank and Lynette when the children were small. Frank had the biggest and gentlest heart and was a doting father. We have been out of touch, but when my son needed a job, Frank was the one that found Colin a position. They were able to rekindle a friendship for which I am eternally grateful. Frank, you will be missed, but you are in a much better place. Prayers for you and your beloved family!*

“ Frank, my first husband was a very giving soul. He gave without regard to his own needs. He put the needs of the family first and foremost. While we couldnt live together we remained soul mates for his entire life, always putting me first. Chris and Jen, our children are his pride and joy. He was amazed by them as children and was inspired by the awe of them learning new things as young children. As adults he swelled with pride as they became members of society. He fought hard in his battle, right up until Aug 29th when they told him the cancer was to far advanced. His will to live is an example for us all. He did so gracefully, never complaining about pain or questioning why him. He will be miss by us.
