“Frank was a wonderful caring gentleman. He was a good friend to the Huntington Woods Library and a fine Library supporter. Will miss his wit and wisdom and longtime friendship.

“Frank referred to himself as the "Grumpy Old Man" when he'd call or stop by the office. No one wants to deal w/me he'd say...to which I replied; that's because you're a character, Frank! Once he and his beloved, Helen began going back & forth to FL, it became a ritual to indicate the seasons of fall & winter. Claire & I would inquire, have you heard from Frank yet? One of us would call or better yet, send him a copy of the Newsletter so he could keep track of things while he was gone. He'd always say; WE MI have the best water of anywhere, bar none! In conversation, once disarmed, the gem he was...then revealed.

“ Our deepest sympathy go out to you Helen and family. Remembering the good times at the WRC Florida Reunions and the many years at Williams International. Barb and I wish we could be there with you today but we will be with you in prayer that God will be close to you and comfort you as Frank has gone home to be with our Lord.
