“ Dear Frank & Mark, My thoughts are with you both. I'll miss your Dad especially at our holiday gatherings. I was blessed to have him as an Uncle. I loved joking around with him and hearing his stories. Sending love and light, Lisa

“ Frank, My prayers are with you and your family. I am so glad you had such an amazing man as a father and a friend. He lives through and your brother as the fine men you have become. Now, your father is in your future, waiting in Heaven before our Heavenly Father. He is not in pain, no more hurting. Allow yourself the grieving process as you told me when I my mom passed. It was you that I called 10 minutes after my mom passed. Thank you for being there for me. We in the Kalamazoo District Office think the world of you~!

“ Frank, You & family are in my prayers. The Bible says when we are absent from the body, we are present with God. Take comfort in knowing your Dad is in the presence of the Lord.

“ Mark, Paul and I are sad to hear of your dear father passing away. We enjoyed your many stories and when you spoke of him there was always a smile on your face. You had a special relationship that will be with you and your brother always. Since Paul and I will be out of town at the time of the funeral and not able to attend, please know that our prayers are with you and your family during this time.
