“ *Frank Jr. and family: As you know, you and I have been talking about your Dad when I see you at Rochester Athletic Club. My Mother was also from Fraser in her younger days and her parents knew your Grandparents. Well, you know the story. The Tanghe Family sends its condolences to you and your family during this time of loss. I was so sorry to hear that your Dad passed away, especially since we've been talking about him so much lately. I have good memories of him from Macomb Community College and as a volunteer on his County Commission campaign. You and your family are in our thoughts and prayers. I hope to see you again soon at RAC to express my sympathies in person. My best to you -- Tom Tanghe*
