“ Dear Frank's family. We shall miss our good friend Frank. Will remember the best times with the Florida-Michigan Bonnie Brook rat pack . Those were the days my friend we thought they'd never end. We had great times - many card nights- good italian foods cooked by mama Laura. Shared our days and nights together with George, Herb, Tommy, Chuck, Bernie, Alice, and those still with us Star and me. Many others over the years joined us in the good times. Frank was always the healthiest, didn't smoke, exercised and lived a very good long life. We will love and respect and cherish his memory for as long as we remain on earth. And we look forward to our time ahead in glory! Please know our prayers are with those who remain as we are comforted knowing Frank is at peace. Love Bobbi Mansur and family.
