“*My Dear Friends and yes family members...I always considered your husband and father as my brother...he was always there for me even when he was hurting...Linda was in ICU and I visited Frank in his room, it was not what was wrong with him, it was "how are you doing, how is Linda"...I was very sadden to see him in the Obit. as I did not know having to take care of Linda...I just wanted to say, if ever there was a hero, a mentor, a super giver and just about the best friend that I or anyone could have, it would be FRANK...to the family I feel your pain in the loss but know that he is setting up another Chapter for the K&C in heaven...love you all Russ*

“*As I looked thru the obituaries this week and saw Mr. Frank Maylock's. I know this must be a hard time for you but I'd like to share what has helped me in the past when I've lost someone. It's a scripture at Isa. 25:8, 9. It says: "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. . . . And in that day one will certainly say: 'Look! This is our God. We have hoped in him, and he will save us. This is Jehovah. We have hoped in him. Let us be joyful and rejoice in the salvation by him.'" I hope this helps comfort you in this time of need.*

“*Frank and I worked together for many years at Ford until his early retirement. An honest, fair, and compassionate man who you could always depend on. He was a real people person and outstanding Machine Repair.*

“ When I was a little girl...if anyone had asked me "Who is the funniest person you know"...I would have to say "My dear cousin - Butch." I hold wonderful memories of him. I pray that you, Joyce, and your sons eventually find comfort in having him in your lives all these years. Millie
