“ Sorry for not being able to make it for Frankie's service. Did not get to see much of him over recent years but will always remember the fun times at the cabin in Gaylord when we were young. My condolences to all the family on your loss, how very tragic and sad.

“ Chef frank was the definition of easy going guy,he wasn't a yelling chef but the kind who would laugh at you and then show you the "right" way to do something,I worked directly under him for a couple years at shennandoa,and for a few months at twin beach, not all bosses you can consider your friend but he was,all the young staff respected him like a parent because there wasn't anything he would ask you to do that he wouldn't do himself.I do regret loseing touch with him over the last few years... He will be remembered and missed
