“ I met Frank in elementary school, and we were casual friends all through middle and high school ~ shared some great years together. When I saw him at my first HS Reunion some 40 years later, it was like time had stood still. He was a very special person ~ and my deepest condolences to all his family and friends who feel his loss, because I am sure it is deep and wide. God Bless you Frank ~ may you RIP knowing you lived a good, albeit too short, life.

“ I worked with Frank at Dohc/Horizon Health and then at HFHS. All the old gang will miss him and will remember him. He kept us on our toes when he handled security in Tech support. We loved to cause each other grief and play jokes on each other and the team. (Not the 'O' team, where they shared beer and donuts after/during games at softball city. )

*Lots of memories, he was taken to soon from his dear family. Know that Frank touched many lives and will be held in many hearts.  
God Bless. Maureen Begnoche Scherphorn*

“ *I knew Frank from Sears Holding for many years. He was a nice man who loved his family , & never stopped talking about his two grand-daughters. He was a kind, generous man. He would give everyone lottery tickets for Christmas, & would say "remember me when you hit the million dollars". He will be missed. R.I.P S/S D. Ervin*

“ It is hard to believe we won't see Frank when we turn the corner at Sylvan Glen on golf league night. His passion for the game was infectious. Thanks to Frank, I got to experience the Wounded Warriors golf charity event. His love of the game was superseded by his respect for military veterans. He was extremely proud whenever he talked about his Dad's service, which explains everything. I plan on making a donation in his honor. When he started working at Kmart, I didn't remember him but it turns out, we had a lot in common. Coming from the same neighborhood and playing softball with the same bunch of guys, we got to know each other better. I'm glad I did. Thanks for all the laughs and the good-nature teasing. I'll miss that the most.

“ *It is the little things I choose to remember, the quite moments, the smiles, the laughter: And although it may seem hard right now, it will be the memory of those little things, that will help push away the pain and let me smile again. You will be missed.*
