“ I will always cherish the memories of the times that we spent together and the laughs that we shared. I admire how hard my Dad worked to support our family. I will never understand how my Dad and Mom managed to raise 7 kids while keeping their sanity and a sense of humor! You are the best Dad that I could have asked for. You are the best Grandpa that ever walked this earth. My kids are truly blessed to have had you in their life for so many years. It broke my heart to say goodbye, but it comforts me to know that you were able to stay at home until the end and that you are in a better place. I miss you and a part of you will always live on in my heart. Thank you for being my Dad!All my love,Theresa
