“ John and myself were transferred here from Ohio from Chrysler. We moved into the development where we met Dianne and Frank. We went out of town and was expecting a package that was delayed. I remember calling Dianne and Frank answered and told him of our development but Frank was happy to pick it up and hold it until we got back. I was thankful for kind gesture that I sent a card and a candy box which really did not express my gratitude. He was a really kind person that we shall never forget.
