“ *David, Lori & Family, I was very saddened to here about your loss. Your Dad treated me like family and he will be missed. I missed the services as I was up north on a vacation, but my thoughts were with you. I have tried to track you down for some time Dave, but I didn't have any luck. Please contact me as soon as things settle down and we can catch up. Call me at 586 489-2184, or e-mail me @ sportcraft2@comcast.net Best Wishes, Doug*

“ *My family has had the honor of knowing Frank for the past 27 years. My husband Tom and I first met Frank when we went for our CCW license in Macomb County. It was after that meeting, Frank and Dorothy would come out to our farm every spring for flowers. Frank continued to come to our farm after Dorothy passed so we could make him a flower arrangement for her grave. He continued to come for his yearly trip even after we moved to the Memphis area. I will miss his many smooches he would steal from me. I always looked forward to his yearly phone call and I joked with him that he was my special "boyfriend". Whenever I want to hear his voice, I will play his beautiful CD and he will be with me again. He was truly a very giving person. Deepest sympathy to his family and Lenora. The Griskie Family*

“ *When I was a young guy, Frank had a sixth sense as to when I was driving near him And when I was SPEEDING!!! Naturally, he would tell my Dad and Grandfather then the City Clerk. I was catching heat from all quarters. AS I got older and milder I got to know Frank as the truly great guy he is. Also sorry to see him lose his brother recently. From Wichita Kansas, John Havel*
