“*Condolences to the Clawson family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.*

“*Fred was like a father to me after my dad passed. He never came to our house without having a story to tell. Every story he told was funny. He gave a wonderful eulogy at Mom's funeral. I will miss him and his stories and all the smiley happy things he had to say. He was a faithful member of his church and will always be loved and remembered by his church, family and friends. I am sure he will keep things lively when he meet God.*
