Tribute Wall

“ I am devastated to learn of Fred's passing. I've known Fred my entire life and considered Fred and Janet family. They were wonderful people. The best. I will never forget them or all of the fond memories I have of our families spending weekends boating or at the cottage. I'm proud to have known Fred and Janet and my heart goes out to their family. “ I only knew Fred for a short amount of time and he was one of the nicest, kindness men I ever met. I would pick him up once a week to bring him to OPC and always looked forward to that day, it was such a pleasure to see him and he always had such a nice smile. My condolences to his family who took such good care of him. Fred will truly be missed, but I'll always have my memories of him

It is sad to lose such a friend and gentleman. Fred was a soft spoken man, easy to talk to, both at the gym and at the American House. I will remember the time I spent with him.
