“ Family you have our condolences, while there are many things I have to thank Uncle Fred for, most are memories of my youth. I have to Thank him so much for his special relationship with the U.S. and Canadian Customs department, as well as the fact one that surprised me that he was bi-lingual. Family, may God wrap you in the comfort of his love and just give the peace that passeth all understanding. Aunt Margie we love you and continue to pray.
