“ Aunt Eleanore, Craig & Family, Our life involved so much of your family that we all deeply miss our "Uncle Fred". His guitar playing, singing, hugs and just family fun is a part of us forever. May Jesus enfold His arms around you, comfort you now and in days ahead, and give you His peace which passes all understanding. Love and hugs, Susan and the whole Plichta family!

“ I know I speak for my parents and family when I say how much we enjoyed Fred's gentle good nature. Our memories center around guitar playing at the Bechler picnic.
