“ *Joyful memories of Fred Brown will always be etched on the hearts of the Youngs family. For the kids of Jack and Maryellen Youngs, Fred Brown was a bigger than life figure, who brought joy, laughter, wit, charm, competition, and more laughter when ever we got together. As children I don't think we ever saw our parents more playful then when they were with Fred and Miriam. New Years Eves, and summer swim parties with the Brown's family created so many happy memories and stories that will be cherished forever. Fred's memory will always bring a smile to our face.*
