“ I will miss your tank tops and short shorts, your big smile that made me wonder what you were up to, your pig roasts that brought family and friends together, your absolute love for family and Nascar. I will miss your calls that started "Hey cuz, it's me cuz FredMike, are Kelly and Dave still married?" A reference to the shot glasses from their wedding. And I thank you for getting all us cousins together for a toast at the wedding. Little did we know that THAT was our 2009 family reunion. You have left this world a better place because of your work with the Lions Club and KofC. Great guy gone too soon.
