“ Deepest sympathy from the family of John and Helen Oleszkowicz. Fred was a great man, and a very supportive cousin to so many of us. As a successful career engineer he was a personal inspiration to me and will be missed. I always enjoyed every conversation and his sense of humor and humanity. A fellow graduate/alumni of St. Alphonsus High School in Dearborn, Mark Oleszkowicz

“ Papa will be remembered for his Alexa jokes, the traditional breakfast places he visited each week and the grandkids yearly Christmas gift of the world almanac and book of facts every two years. I'm feeling extremely lucky to have spent 23 years with him. We will love and miss you forever, Papa.
