Praying for your family and all those who are mourning the loss of your physical presence in their lives. Knowing today that you are in a far better place and may the faith that you have lived by bring comfort and encouragement to us who have been a part of your life and are left behind. “ I am very sorry for the loss of your dad. The loss of a parent is so difficult and my thoughts and prayers are with each of you during this very trying time. I remember, as a child, staying with all of you for a week or so on different occasions, and just being a part of your immediate family was always fun and exciting, we had a lot of good times as kids together! Your dad, although strict, was also caring and loving! God bless you all.
