“ *I had the great pleasure of being Sara and Bill's next door neighbor for eight years. During that time, we often had Sunday dinners and FW was often at the head of the table. He was great company - and became my stand-in dad. He was always a little silly but when you needed an ear and straight talk - he was there for that, too. I really enjoyed the time together and will remember him fondly.*

“ *With sympathy for all of Bill's family and friends. As Linda Heikkinen's sister, I had the chance to visit with Bill and Linda in Michigan, and have them as guests at our home in Maine. Wish we had had the chance to enjoy more time with him and get to know more of his family and friends.*

“ *I have great memories of FW! At all the family events - always smiling and so eager to put us at ease. When I visited him a couple of times after his decision to join Hospice, I was a little nervous about what we might talk about. Never fear! He was a champion at easy conversation regardless of the difficulty of the topic. I am grateful for the time to know him better. He will be missed. Love to you all, Suzanne*
