“ Rick was like a second dad to our daughter and will be greatly missed. I'm sure Auntie Cince has taken him by the hand and shown him the way around in heaven. Another angel to add to the list!

“ My husband, Chris and I would like to express our sympathy to Rick's family. We are very sorry for your loss. We worked with Rick for many years at Detroit Pump and we certainly have many fond memories of this time. Our company camping trips, luncheons, occasional parties at each others homes, and of course his spontaneous personal opinions. : Rest in peace and God bless Rick.
