“ I will always remember you, Frieda. I am glad I was able to see you a year before you passed. You were such a good friend to my mother and so kind to all of us. We really enjoyed when you and Fred came to visit AZ. I still have several of your recipes and think of you each time I make them. Always in our hearts Laurie, Tom and Porter family

“ Auntie Frieda blessed my life since the time I was a child, and continued to bless the lives of my family with her wealth of knowledge in the Lord and her many talents. She had the patience to teach us some of her talents which will continue to live on through us.

“ Auntie Frieda always had a way about her that made everyone feel special. She cared deeply about her family and friends and lived her life always blessing others. She leaves behind a legacy of faithfulness. As I looked through photos of her I always see the twinkle in her eye that reflected the joy in her heart. She will be greatly missed.
