“ I had the pleasure of working with Gary for many years at the post office. Gary was such a good carrier. He took great care of his customers and they loved him. Gary was quiet, but also had a great sense of humor. He loved to talk about his family, always with a smile. Gary was a big part of the Shelby Township postal family. He will be deeply missed.

My thoughts and prayers are with all of the family.

“ Won't ever forget all the sleep overs and staying up late trying to keep quiet after being told to go to bed. We didn't listen of course and Uncle Gary would come rushing in to tell us to get to sleep! We would scramble to pretend like we were sleeping! Especially famous for him coming in and saying "I don't wanna hear another peep out of this room!" What did kids do? Soon as he closed the door someone always said "PEEP!" Surely enough for him to hear. Such great memories of Uncle Gary when I used to spend many summer nights over there. I will miss talking to him about how terrible the Tigers are playing. RIP Uncle Gary and say hi to Ernie for me.
