I am late to see that Gary has passed as Gary and i had something to shear in life. iN HAZEL PARK We left one day to the MICHIGAN STATE JOUNIOR CHAMP IN 1962. I was 14 and Gary 16 and had a car to drive to the event. He was a great lefty bowler. I was happy to finish the day setting a record in my class that day and being the number one qualifier. on the way home gary said to me that I would never bowl that good again. I told him Gary if I could do it once why couldn't I do it again in the finials? I did just that and won the Michigan state championship for the first time. 2 years later i won again. Gary was a great man at that age and a very good friend. All of us remember Leo , & Don Spalla and all the wonderful persons the bowled at Hazel Park. Lover you all and we will never forget Gary.....Love you Gary, Jim Rolfe
