“ Gary, I will forever be grateful for you r love and kindness. I will always hold dear the memories of you and your love. I remember when I was so depressed on my birthday and you two came over and we played like little kids, throwing wet balls at eachother and that was the best birthday I have yet to have because of you. Thank you for always cheering me up when I was stuck inside myself, if it was throwing paper balls at me or poking me You always knewn just how to make me smile on the inside and out! You will be forever loved and missed. I love you Gary!

“ Margaret and Jessica - It will be the little things that you will remember the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again.

“ Marg and Jessie, We all miss Gary immensely. It is impossible to put into words the magnitude of "the missing." It is all confusing why God took him at 57, but God has plans for the three of you that he hasn't yet revealed. You just have to trust divine planning.... I pray for you Marg, Jessie and Kaylee. Bon courage a tous / good strength-courage to you. Love, your sister/aunt/great-aunt ... Lucy

“ Dearest Margaret, Jessica and Family of Gary, Our hearts are breaking for you and we are so sad and sorry for all of you. Gary was such a wonderful and precious blessing to all of us. He was also such a "HUGE INSPIRATION" to all of us and we loved how he was always happy, teasing and fun. The love of his Jesus, his "best friend" was always obvious. We will never forget him walking around downtown Royal Oak and putting bright orange "One Way" stickers all over. My mom said she remembers how he always greeted us with "Hey Amigo" Mom always thought of that as "Garys way" His way of being affectionately loving. Which he was!! We also remember laughing together about him going calling visiting homes to share Christs love and people being afraid to answer the door when they saw him dressed in all his black. We have so many tender and sweet memories of Gary. He truly was a very special and unique person. He was never afraid to share Christ with anyone. We know that he is rejoicing and enjoying unimaginable glories in heaven with the Lord of all creation. We just found out late afternoon today about Gary departing this old earth and we are so sorry we couldn't make it to the funeral, but we are lifting all of you up in our prayers. May God bring you His peace that is beyond understanding and His comfort that is miraculous. We all send our love through Jesus our Saviour. Love, Jim, Kim, Cody & Wrylie, Norm & Doed, Norm, Lorna & Stephanie, Julie, Jim, Jacob & Jessie, John, Erin, Johnny, Justin & Aly

“ My Dear Sister Margaret, Gary has been a great guy, brother-in-law and special friend to me. It is very hard not to see him anymore but I know he is with us always. He will be smiling down on you, Jessica and Kaylee and maybe throwing paper balls to get your attention. Gary helped so many people throughout his life by bringing them closer to God and family. He made us laugh and enjoy life. I will always carry fond memories of my special brother-in-law, Gary. With all my love, Rose

“ Dear Margaret and Jessica and Kaylee, Without your strong faith, the death of your dear husband, dad, grandfather would be even more shocking and painful. How sorry we are for Gary's unexpected and sudden death. On behalf of my mother, your Aunt Madeline, my brothers, Eric, Jerry, Dennis and Ken, I express our sincere sympathy and assure you of our love and prayers. Our hope in the resurrection and the strength of divine love will make the reunions of heaven so wonderful. With love, your cousin, Noreen
