“ Dear Betzler Family, I worked with Gary at Bishop Foley and he was such a great man. He loved his family, and oh, how he loved those boys! I'm so sorry I couldn't attend his funeral as I was out of town. My husband called me with the news and I just want you to know, my thoughts are with you all. I'll always remember that devilish smile and warm soul. Lexie Beknap

“ Dear Betzler family, I was one of Mr. B's. students back in the mid 70's. Mr. B. made a big influence in my life. In 1975 My father attempted to kill himself and I was having a real hard time coping with the situation. Mr. B. basically saved my life by showing me that no matter what happens, I still had family in the teachers and staff at Bishop Foley. He guided me through some very rough times. I just can't say enough about him. Gary was a God-send in my time of need. May Our Heavenly Father Lord God bless al of you and watch over you, providing the peace in knowing that Gary is watching and waiting for all of us at the Father's glorious right hand.
