“ So hard to say goodbye to our dear sweet Gary - always ready with a joke when you needed it most. The best "bowling mascot" his "harem" could ask for. For all the years and all the smiles - we thank you. God Bless you and keep you. Love, Linda

“ my cousin gary was the most kind and nice man anyone would want to meet. he had a great sense of humor and always looked on the positive side, even with all the health issues he and betty had to concur, he always put a smile on his face. he made many memories for so many little ones playing santa for years, our world has just lost a very special man but heaven just gained one. he will be truly missed. love you, kathy and preston
