“ We will miss Gasper (whom we called Grandpa although we were not related). He was my son-in-law, Joe’s grandpa. Grandpa always provided watermelon for family get togethers. He was very kind and funny. We pray for family and friends. May God bless each of you with His comfort and love. Kim & Donna Bayer

“ He was a great man. I will always remember our Bible studies from years ago. He always prayed with us and for us. Actually when I look at it God used him in my life as an example of how to pray. I received Jesus as my savior in the Peralta home and the times spent there in prayer changed my life and Gasper was a part of this. I am sure his reward in Heaven will be great.

“ I love you & miss you Grandpa. A gal couldn't have asked for a better Grandfather in her life. He was an amazing man with such love & passion for his family. Family truly was everything to my Grandfather & he passed that trait down to his children (my father & my aunties.) He will be & is greatly missed. I know that there was a loving reunion in the light, I know that my Daddy & my Grandma Josephine were waiting for him when he passed over. It brings me comfort to know that he's with my Dad & my Grandma Josephine (amongst many other family members.) I know that he's up there dancing (& what fancy moves they are.)

I've posted pictures of my Grandfather throughout his life ❤️
