“ *I often read the obituaries now after the death of my mom realizing how difficult it is as you try to summarize a loved ones life in a few short paragraphs. And I want to let you know how touched I was by Gene's-what a life of testimony to the love and grace of God. May all who have read it be moved to seek out that same peace and healing. Although your hearts are heavy with grief, you grieve not as those who have no hope but you await that glorious reunion!!!!!! God bless you and comfort you.*

“ *My deepest sympathies to all of the Schaffer family. I worked with Gene for 6 years and he was always upbeat and had a positive attitude on life. We will all miss him dearly.*
