“ *Dear Dawn, Michael, Heidi and Vicki: I am expressing my condolences to my first friend in life, Dawn, and her siblings for the loss of your mother. Your mom was a quiet, but kind woman, who seemed to be very patient with all of you. I will always remember her southern accent and her robust raspy yell when she called you all in for dinner. May your fond memories of her comfort you during this difficult time. I am praying with you and for you as you mourn the loss of your dear mother. May God's peace be with you all. Love Always, Christina Cooper-Sanford and family Bryan, Brendan & Breslin*
