“*Aunty, You were such a big part of my life. I will always remember the many things you did for me- making sure I had a pretty Christmas dress, making me feel so special when I would spend a few days at your house, giving me spending money when I would go shopping with Joyce, never forgetting my or my childrens birthdays, our lunches together, trips to Vegas where you, mom, Joyce and I could reconnect and just plain have fun, giving you pedicures, bringing your favorite soup when you weren't feeling well and so many wonderful visits. Your kindness taught me how to be a wonderful aunt, myself. But most of all being there for me when my mother passed away. Our daily talks were so comforting when I didn't think I could go on. Talking to you made me miss her just a little less. I am happy that you are with Uncle Zina, my mom, dad and Uncle Ray. I love you and will miss you so. Please hug my mom for me. Love, your grateful niece, Carol*”

“*Grandma, I can't put into words how much I miss you already. You were such a big part of my life and its hard to fathom a world without you in it. I know you're up there with all your friends and family, especially Grandpa. I'm sure you are keeping them laughing!! You were here to welcome me into the world and it was an honor to be there for you when you were leaving the world. I love you very much!! Love, Kari and Winnie*”

“ Dear grandma, the only thing keeping me together is knowing you're pain free, with grandpa again. I hope you knew i was sitting at your bed the other day, and hope you heard the words i spoke. I'm going to miss you so much. Tell grandpa i miss him a lot. I'm sure he's happy to have his sunshine back. I love you, grandma.
