“ Ray and Tommy, I'm so sorry I couldn't be there today but know I am sending my thoughts and prayers out to all of you and am with you in heart. One of the things I always remember when I think of Aunt Genny is that dog whose tail always beat us when standing at the back door (Peppy?) and her warning us of her tail. Always makes me laugh. She will be missed.

“ I didn't know Mrs. Kunz very well but I do remember when she joined the Grijak family for dinners at Chung's on Sunday afternoons. She was a very warm and caring person who is going to be greatly missed by all.

“ Tom and Ray, sorry for your loss. I grew up living nextdoor to Tom and Jenny for over 30 years. I was saddened when Jenny moved away and now learning of her passing saddened once again. My most recent memory is my dog (Jasmine) would always go over to her house in the morning with my mom and get a slice toast or two. Get ready up there Jenny, Jasmine will be paying you a visit for some toast.

“ Tom & Ray, I am so sorry to hear of your mom's passing. Cousin Jenny was such a loving and positive woman. I remember all the fun we had at your house & cottage when we were little. When I saw her a couple of years ago, she was so engaging and loved life. I know you will miss her terribly! My thoughts and prayers are with you and your family. Love, Janet Kline

“ Auntie you will be missed dearly, you were always there for me and my family no matter what. One of the memories I have always held dear to my heart was how you and aunt Stephanie took turns taking me and picking me up at Beaumont hospital for over 8 months while I was going through therapy after the surgery on my hand. I would be dropped off by 8am and picked up by 5pm Mon thru Fri, the time you and her spent doing this for me and my dad took you both away from your family's and time with them. Auntie I will always love and miss you R.I.P. with the angels. Give everyone my love in heaven!!
