“ *The last of a generation has passed. I lost my last Aunt this week. The torch has been passed to my cousins & me. It's sad when families drift apart only seeing each other at funerals. Remembering the times we spent as children, but passing adult life as strangers. I was introduced to my 3rd cousin as "Aunt", some traditions are always kept. You see this lovely lady with a smile so bright was never my Aunt. Rest in Peace Aunt Gene*

“ *Dear Dolores and Family, I was very sad to hear of your mom's passing. Even though I didn't know her very well, I knew she had a very strong sense of Jesus, family and life. I hope, Dolores you and your family, have peace in your hearts. You all treated her with love, respect and dignity. How happy she is in heaven know with Jesus and your father. May God continue to give all of you strength and love. All my love, Lucy Prawdzik RN from Beaumont*

“ *I am so sorry for your loss. I know Genevieve was very uncomfortable in her last few years, but she always looked past her problems and involved herself with the lives of friends and loved ones. I always felt uplifted after a conversation with Genevieve, even if she was talking to me from a hospital bed. I will miss her dearly. Rachel Morin*

“ May you always remember the best of Genevieve. She was one of the most uplifting people we had ever met. We met her at Utica High School doing all kinds of volunteer things with the band. She and Marvin were an inspiration to many. Your family is in our prayers at your time of loss. God's love to all of you.

“ God saw that she was getting tired and a cure was not to be so He put his arms around her amd whispered,come with Me With tearful eyes we watched her and saw her fade away althought we loved her dearly We could not make her stay A golden heart stopped beating,hard working hands to rest God broke our hearts to prove to us He only takes the best
