“ *Our sincerest condolences to the family of Genevieve Pasque. We have been friends of Bob Pasque for nearly 24 years, and in that time, we got to know Genevieve as well. She was Bob's biggest fan, and attended every one of Bob's performances when he was in a band. She always welcomed his friends into her house. She shared many of Bob's interests and hobbies, and Genevieve was a big part of Bob's life. Much love, light and strength to Genevieve's family at this difficult time.*

“ *My condolences go out to Genevieve's family and friends. I knew her from Arlington Street in Roseville where we grew up. She was a kind hearted person and friend to all that knew her, especially to my sister Christine. I hope you can find comfort in knowing she was there for many people and always had a smile on her face and that she will be remembered for. My prayers are with you all, Debra Barbret (Christine's sister)*
