“ *What a beautiful gift Aunt Gen was to our family! She was a loving and charitable daughter to her parents, a great sister to her siblings and a fantastic aunt to all of her nieces and nephews! She walked through life with great grace teaching all of us cousins about prayer and the beauty of our family and faith. Didn't we all love hearing about her trips, or being at her backyard family parties or her little stories about her favorite charities? She would take her godsons to pray and see the architecture at the different Catholic churches in Detroit! She would give wonderful Wigiilas with homemade pierogis. She would let the nieces try on her clothes on Saturdays. When we had our own families, Aunt Gen prayed for all of us, our spouses and our children. Throughout her life, she taught her family the beauty of prayer. Thank you for your prayers Aunt Gen.*

Amazing! And on perfect pitch! Aunt Gen was a unique square in the patchwork quilt of our family. Actually she would say that we are all unique. And she would be right. So happy Aunt Gen that you now rest in the palm of God's hand. 💕

“ *We will miss Auntie Gen very much! She was so intelligent, so beautiful, so independent, so giving & caring, so religiously faithful. When we last saw her, she was singing Polish songs with Sister Emelita and speaking Spanish with Edgar. She was truly a Renaissance woman! We will always love her & treasure the wonderful memories.*

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Genevieve. It is truly humbling to receive memorial donations in honor of Genevieve's life. Please be assured of the brother's prayers for the entire Tobias family during this great time of grief. May perpetual light shine upon Genevieve.

Aunt Gen-I speak for my dear sister Joan who was your first god-child. She loved you dearly as we all did. You brought sunshine into her life as she bore the responsibility of being the oldest of all. You also brought sunshine into all our lives with your love. On behalf of all my brothers and sister I thank You God for our Ciocia Genus. I hope I got that spelling right. If not I hope it still put a smile on all of your faces as you remember calling her by that enduring name.

It did, Theresa! I was quite small when I announced that I "wanted to be a Genus" when I grew up. Her career, independence, travel with girl friends, fashion acumen, while also taking care of her parents in their later years, and showing generosity on the streets of downtown by paying for and breaking bread with people begging on the streets-- a huge example to a little girl/ to everyone. So many examples of love and compassion.
