“ *Sad to see another member of my generation of the Sauer family pass. We always enjoyed seeing her at the reunions when she was able to come. I believe that's the last of the Witzkes and spouses.*

“ *So sorry . I will always remember her for her cheery personality and her smile with those rosy cheeks. She was always happy to see you and made you feel welcome. She lived a long life and remained happy where she was. When I think of her I immediately think of her on her knitting machine making items for family and friends and the joy she felt when she made something for you. Years ago she even made a shawl for my grandmother. She is out of pain and at peace now. Our heartfelt sympathy to Bre and the entire family. Love Aunt Cindy and family.*

“ *I remember how darling Grandma Witzke was at Bre and Dave's wedding. She looked so sophisticated in her purple formal. May she rest in peace.*
