“ Geoffrey was like another little brother to me as we were growing up. When I would sleepover at Claudia's, her brothers always offered to carry my little suitcase. Geoffrey fought the hardest to carry my bag! Even as a child, he seemed to have more empathy and understanding than most people. Before his father died, he told me that of all his children, Geoffrey had the most heart. I have a heavy heart, saddened by the sudden loss of such a generous and caring spirit. When my time comes, I just know he'll be waiting at the pearly gates with a joke and fighting to carry my bag! Kathy Kennedy Springfield Missouri for now

“ Our hearts are sadden and heavy with pain. Geoffery was taken far to soon and now there is one less star in the heavens. He is looking down on us now and knows how much he is loved and missed. His role as father has ended but a new one has began as Juliet and Claire Guardian Angel to watch over and protect them forever snd ever. Geoffery will truely be missed but never forgotten.

“ This is one of the hardest things I have ever had to do, saying goodbye to my sweet brother-in-law. I have learned too late to never ignore an urge to reach out to another person, and to never be sparing with loving words for them. I can only hope that God has let Geoffrey know just how valuable his life on earth really was to so many people. I am happy to know think that he has been freed from the worry and pain that plagued him in life. I hope that he is right now delighting in being one of God's newest angels, there in Heaven. I will always miss him.

“ Dear Mrs. Christin & Family, I am very sorry to hear of the loss of your husband and father. I can especially relate to what you are going through. When I was a child my family also lost my father when he was 47 years old. I pray you will find the comfort and courage you need to carry on despite the sadness in your hearts. Please take care. “ My brother was a wonderful, caring and fun person. He loved so many things in life-his wife, beautiful daughters, family, sports teams and his beloved Douglas Lake. I will remember him as the wonderful father he was and the caring brother who loved his family unconditionally. I will miss him with all my heart especially when I hear "lets go blue!" I love you my brother! love, Andrea and Rich

“ Geoffrey was born with so much love in his heart. He always demonstrated his love for his entire family and friends. His daughters were his life. We loved listening to him imitate Grandma Jessie and her beautiful ways. We are sure he is up in heaven with Grandpa Joe and Grandma Jessie playing cards and fixing Grandma Jessie some "red pop". We will truly miss Geoffrey and his quick wit and smile. He was a very special nephew and a wonderful person. We will always hold him close in our hearts. Aunt Sandy and Uncle John

“ Geoffrey was like a brother to me. We had many great adventures together, including sailing across the Gulf of Mexico in a tropical storm. We also ran a business together. We worked hard, played hard, and made the most of everyday. I will truly miss Geoffrey With a "G" for the rest of my life.

“ I consider myself blessed to have gotten to know Geoffrey over the last few years. He was always ready with a smile, hug, and kiss to greet me. He let me borrow his 30/30 for hunting and let me go target shooting with him in the back woods up north in 2008. All he did was talk about his girls. They were his utmost priority. Those who knew him longer must have their hearts overflowing with wonderful memories. God Bless.

“ Thank you to the already and soon to be beautiful comments. Geoffrey and I were very close! Geoffrey truly had one of the BIGGEST & BEST hearts. Geoffrey taught me so many things. Geoffrey loved his girls so much! He loved his wife dearly. He loved his whole family, relatives and friends. He truly loved God and Jesus. I will miss his smile & hugs. I thank God that he will never have to suffer again & he is up in Heaven with all the beautiful spirits. Our deer camp will not ever be the same. Just remember what a great guy, a great father, a great friend, a great spirit Geoffrey was and always will be. He has sent me a few good personal signs from up above already and the first and only one I'll post is that Geoffrey was welcomed up to Heaven by BABY DADDY! I will never forget you and I know you'll always be with me and everyone til we get to meet up again in Heaven. Your loving brother, Bud!

“ *What a loss. What a great person! The "DUKE" will be remembered forever. I pray for all of you and am sorry I cannot attend the funeral. This event, as sad as it is, has put Gary and I back in touch after 20 years and brings back many smiles and memories that may have otherwise stayed dormant. God Bless you all - remember the good times that you all shared. Lisa touched on many that even I remember! With Love and prayer, Jerry, Michele, Jake, Ben and Katie Burke.*

“ *As I sit and stare at the screen, I am at a loss for words, not because there aren't any but because there are so many. Geoffrey had a big heart, he helped take care of his parents when they were ill, he adored his nieces and nephews and his girls were his life. He will be missed very much. He is probably setting up a poker game with Grandma Jesse, Grandpa Joe and his mother right about now while listening to Baby Daddy tell a joke he has heard many times before. With Franklin and Arthur sitting on top of Laddie at Geoffrey's feet and Muffin and Fluffy not too far away, he is finally at peace.*
