“ I first met Geoff in home room in 9th grade, and we sat next to each other for the four years. We always had lots of laughs. I lost track of him for a few years and then he was part of an infamous canoe trip, great memories! The last time I saw him was at the 2006 reunion and we talked through the whole thing. We were facebook friends for the last couple of years, and I have said many prayers for him, I guess the Lord needed more humor in heaven. I will see him again on the other side, peace!

“ Too young! But, then we are all too young. Satan really messed up God's purpose for man to live forever on the earth. Thanks be to God through Jesus' sacrifice; the resurrection is assured. May you have peace in that Hope.
