“ Dear Ann, So sorry to hear about your loss. I remember coming to your house on Crane as a child and just how patient, gentle and kind your Dad was. My thoughts and prayers are with you and all of your family.

“ Dear Seley Family What incredibly good memories I find myself from time to time sharing with my wife Teal and our three children and their friends of growing up two doors from the Seleys on dear Crane Avenue -- so much lovingkindness and wisdom and fun. Always Mr. Seley was quietly there -- I can see him now walking down the street, working on the house, smoking a pipe, speaking kind words. Together with your Mom, Mr. Seley is close to my daily thoughts -- their patient love continues to inspire and so many others I know in so many ways. Our hearts go out to you all -- our especial sympathy to Joyce. So sorry I am not there in person to share this time with you. Love Alan and Teal, Chase, Sydney and Landon

“ Dear Joyce and the Seley family: George was a "epic" architectural mentor to me during the begiining years of my professional working experience. He was an extremely accomplished architect who cared deeply about the individuals whom he worked with. We have been blessed to have had an opportunity to have our paths cross. We will miss George keep him in our prayers. Regards, Hal and Katy Messacar

“ I also have great memories growing up with the vast Seley family, two doors down. Our families were quite intertwined for many years back in the '60's and '70's. My memory of George was as a patient, gentle soul, and, by example, a moral leader in our neighborhood. Our thoughts and fondest memories are with the Seley's at this time.

“ I find it hard to believe anyone could grow up in a neighborhood with a finer family. Full of life and love. Fond memories of George & Pat and the wonderful family to which they dedicated their lives.

“ I have very fond memories of growing up in Royal Oak and having the Seleys as neighbors. I saw Mr. as a very gentle and kind overseeing father figure,.. having many children to look after, even more than our Elder family. That house on Crane will always be the Seleys to me with all of the wonderful memories that come with it.
