“ Dear Dave, Chris, Jan and family,  
George was a sweet heart. My life has been enriched by knowing him. When he went through the loss of your Mom and had to leave his Florida home and come back to Michigan, "burrrrrr", you helped him through it with your love and caring. As his health failed, you provided him with support and happy moments. George was a gentle spirit and I will miss him.  
Much Love, Linda D

“ I met George and Beverly for the first time with my wife Kristine when they visited their daughter Christine (our neighbor). Then again when George moved in with Christine after his wife's home going. I got to know him each day as I would come home from work and he'd be busy with yard work. I always looked forward to talking with him and learning something new. He loved to Golf and talked about his work at a Golf Course in Florida. George was a soft spoken gentle man with a good sense of humor and wearing a large brim straw hat as he would lean on the rake or broom or shovel as he spoke with me. I always liked that about him. Thank you George for being an example to the younger generation and thank you for our conversations, you are missed! Tom ( your Royal Oak neighbor ).

“ Dear Dave,  
Although I did not know your father in person, I feel as if I knew him through the sweet, loving stories you told of him. He must have been a wonderful father and gentleman. One who loved his children and wife and followed his faith. He must have been good to all those who knew him. I think this because as his son, you are like your father. You must miss him very much. My sympathy for you and your family is deeply felt.  
God's Love and Mine,

“ Dave, your dad was such a nice man and a true gentleman. He sure loved going up north with you. I remember him saying to me, "He 's got a nice place here, doesn't he". He was so happy. You and your family have my deepest sympathy. Love, Kathie A
