“ Please accept my condolences for your loss. We have this wonderful hope at John 5:28,29: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." May this hope to see our loved ones again in a resurrection and the promise that "death will be no more" comfort you in this difficult time.

“ I was very saddened to read about you father's death.He and your Mom were very special patients to me.I have known both of them since 1980-81 when I met them at Dr. gerendasy's office and kept seeing them at Dr.Walowiec's office.Also,saw them at the Gleaner picnics in Florida since my husband works for Gleaner.I'm sure if you have any Gleaner insurance questions,he would be happy to help you Your parents spoke so much about their wonderful family,that I feel I know all of you.Was so hoping to get to visit Dad in Howell,but time has a way of escaping us and one day it is too late.So very sorry about your loss and again if there is anything we can do,please do not hesitate.Our prayers are with you at this difficult time.Mary and Ells Stout

“ It was a pleasure and a distinct honor to have been a part of George's care. He always had an upbeat personality and I enjoyed being around him. He had so many things to share and I learned a great deal from him. He will always be in my heart and when remembering him, a smile will cross my face. Thanks for letting me get to know him. He also played a mean game of UNO.
