“ Dear Mrs. Baker and your family. I am very sorry to hear of the passing of George. I have fond memories while growing up as he was interested in the same electronics field that I have been in for over 30 years. He sure will be missed.

“ I am so sorry, Joan, Theresa, and Kevin. I remember the time he and Larry chased a bat around our family room, caught it, and set it free. I wouldn't have but one electrical outlet in each room of my house if it were not for George.
