“ Dear Bev and Family, We are so sorry to hear of George's passing. Our condolences go out to you Bev, and the rest of the Finn family. We will always remember the great times we had in Lake City, when all of us would get together during the summer. George will always have a special place in our hearts, and in our prayers. .

“ Dear Finn Family, we are so deeply sorry for the passing of your father. We are so glad we were able to meet him and hear some of his many famous stories. I bet he is with God right now thanking Him for being able to live and tell all those amazing moments in his life. You were all so blessed to have a father so full of life and discipline as he had. May his stories be passed down from generation to generation.

“ *Finn Family, we are sorry for your loss and at the same time grateful that George left a wonderful legacy. What a blessing. - So we are always confident, even though we know that as long as we live in these bodies we are not at home with the Lord. For we live by believing and not by seeing. Yes, we are fully confident, and we would rather be away from these earthly bodies, for then we will be at home with the Lord.*

“ Jane~ I know your dad was an amazing man because of his amazing, most wonderful daughter!!!! The times I have had the pleasure of being around your family were very enjoyable...fun, joyful, so much love!!! We have shared so much...but the thing I value most are the moments we share our treasured family memories. I feel like I know your dad so well even though I have only visited with him a handful of times. Through my love and relationship with you I have come to love the Finn family...and it all started with an amazing man, George Finn and his beautiful wife Bev. All that love your dad poured into you will be the comfort you will find when you are missing him!!!!Love you always,SaraTo the wonderful Finn family...my thoughts and prayers are with you!!!!Love,Sara
