“ I'm so sorry for your loss. I'm so saddened to hear about the passing of George. I still remember the first time I met him! I was about 11 and my friend and I would ride our bikes up to Parkside Cafe nearly everyday to get a slush and fries! And one afternoon, George took his guitar down and sang us a song! He was such a kind and friendly man. Thank you George for being so kind even when we played the loud music! I remember the last time I saw George, it was right before I got married, and all my childhood memories came flooding back.... Thank you George. You will be missed!
