“ *My grandpa favorite sayings: Your hair is like silk - CORN SILK. Your teeth are like stars - THEY COME OUT AT NIGHT. Your lips are like pedals - BICYCLE PEDALS. No matter how many times he said it he would crack up every time. Well he had ears that would always listen, arms that always held me, a love that was never-ending, and a heart that was made of gold. On February 26th that golden heart stopped beating. My heart broke but I know his hard working hands that I held for 44 years are now at rest. While I would give anything for more years with my grandfather, it was time for him to rest in peace.*
