“ George, We'll miss you.

Let us enjoy his life. Many of us met at Resurrection Catholic Grade School, making many more friends at Biraga Park. Cindy and George met as teenagers, getting married in their early 20's. BOY, WHAT A WEDDING! George loved Motown, singing and dancing to the tunes at parties. My wife and I were fortunate to see the Temptations with Cindy & George at the State Fair. George loved his family and was he proud of his grandchildren! We along with friends shared many years of good times, camping with and without our kids, years of picnics at Camp Dearborn, numerous trips to Mexico, annual outings to Soaring Eagle for 10 plus years, gambling and playing golf and celebrating the Kurzym wedding anniversary. With friends going out for dinner and drinks is how we all stayed connected. He enjoyed hunting with his family up north. George was an avid golfer. I was fortunate to ride with him in the golf cart. He would often give me advice to improve my game but finally telling me to "just hit the ball". I won't mention his other words. We had played hockey in Tilbury, Canada with his family. His unselfishness with his carpentry skills and his help was appreciated.

George was an excellent husband, father and grandfather. He was also a great friend to us all. We enjoyed and appreciated his friendship. As we all recall our fun times with George, he will be missed but never forgotten.

“ I will always remember our days working together at DPS. We were partnered together for 12 years, and I must say he taught me more than any other man that I worked with. He was a great friend and a good listener. Not to say that we didn't butt heads on the job once in a while, But being the man that he was it never lasted long and before you know it it was as if it never happened. Thanks for the good memories, you will surely be missed. Rest In Peace my friend!

“ *The loss of George is like the loss of a brother during our formative years. Although I haven't seen George or Cynthia in a while, the memories of growing up with them flash clearly before my eyes. God Bless George and all his family during this terribly sad time. I would not be the person I am without the influence that George, Cynthia and all their families had on me in days gone bye. Thank you and Bless you all!*

“ *There is so much I could say about my Uncle George. Things will never be the same without him. Family gatherings will feel different without him there. My heart aches. My heart breaks for my Aunt Cindy and my 5 cousins. I am praying for all of them. He was such an amazing man and I am truly blessed to have had him in my life as my godfather and uncle.*

“ Our neighborhood park, Biraga, on Mt Elliot in Detroit was where all of us neighborhood kids gathered and hung out in the 50's thru the 70's. While we didnt always get together, us “kids” continued our friendships and maintained contact until this day, thanks to social media. It is truly sad losing a member of our Biraga family. My heart goes out to you, Cindy. You and George were together for almost as long as I can remember. George will be sorely missed.

“ My heart is broken over the loss of a truly wonderful man. He was a "prominent figure" in our family for so many years. I always referred to George as being my "favorite Brother-in-Law." I loved him like a Brother. He was always there for me, when needed. He was a guy's guy but, he was, first and foremost a "family guy." His passing leaves a huge hole in my heart.

*Dear Cindy and Family,
We are so sorry to hear about George. It is such a shock! George was a nice man and a good neighbor. I remember when you had your daughters, I was standing on the corner waiting for the school bus and George was coming home from the hospital and stopped to say that "they're all girls" You could tell he was very happy.
George, may you be at peace now. You will be missed.
Love to all,
Joanne, Lilla Russo and Family*

Cindy,

My heart is with you, my feet are beside you, and my arms are wrapped around you. Oh, such a great life you and George forged together. I'm so grateful I was blessed to work and play with you at the Schard.

Thank you for being such a wonderful person. Thank you for always talking and laughing with me at the circulation desk. And thank you for sharing George with The Schard Family. He had us at hello. Our gatherings may have decreased throughout the years, but our love for you has not.
