“ At the memorial on Thursday please know that my thoughts and prayers will be with you. Not far from there I grew up with George at Longfellow School sharing those childhood experiences you never totally forget eg: square dancing in the gym, movie nights on Fridays and Halloween parades through the halls. Our Moms also were very involved with the PTA together. It's sad to say goodbye, but I pray for God blessings on each of you at this final farewell.

“ George, We used to call you "Binky" in HS even though we knew you didn't like it. Please know it was a term of endearment. Not everyone was loved enough to even have a nickname. We had many good times and will continue to recall those happy years that you were so much a part of. We miss you already... RIP
