“Dad the pure love I saw in your eyes on Sunday will stay with me forever. If I ever had any doubts about the depth of your feelings they were dispelled in that instant and for that I am eternally grateful. I miss you so much Dad and I cannot wait until I get to see you again. Till then be at peace...and no you can't hold my candy :

“Dad, I wanted to tell you how much I love you and how much I will miss you. I know you are pain-free now and how could I not be happy for you. I'm so glad Ben has his Papa there to give him lots of hugs and kisses. I know we will be together again...so until then, I won't say goodbye Dad, just see ya later.
